Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- . Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, www.socialsecurity.gov/online/ssa-1945.pdf. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. Please refer to Inventory Control Number (ICN) 276950 when ordering.

FLEX PLAN

As an eligible employee, you may participate in up to four types of Flex Plans. Enrollment in these plans is separate from your enrollment in the LADWP or IBEW Local 18-sponsored health and dental plans. You must sign up through the Flex Plan enrollment system. Your Flex Plan election automatically continues each plan year unless cancelled during Open Enrollment.

A TAX-FREE BENEFIT

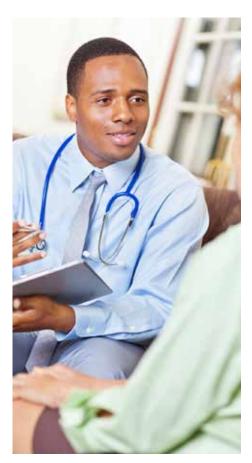

The LADWP Flex Plan is governed by the Internal Revenue Service (IRS). It offers tax savings by reducing your taxable income and using pre-tax dollars for your out-of pocket expenses. Your contributions are deducted from your paycheck before federal and Social security taxes (and, in most cases, your state and local income

taxes) are withheld. When you set aside pre-tax dollars in a Flex Plan account you effectively lower your gross pay that is subject to tax, and your qualified purchases are paid for with your pre-tax dollars.

WHO IS ELIGIBLE?

You are eligible to participate in any of the LADWP Flex Plan benefits if you are

an active LADWP Civil Service employee regularly scheduled to work at least 20 hours per week. You are not eligible to participate in the LADWP Flex Plan if you are an exempt daily rate employee, a part-time exempt employee, or on a limited appointment.

YOUR FLEX PLAN OPTIONS

HEALTH CARE FLEXIBLE SPENDING ACCOUNT (HEALTH FSA)

The Health FSA allows you to set aside pre-tax money for eligible health-related expenses that are not covered by your health plan. The maximum amount you can set aside for a Health FSA is \$2,550 per plan year. These funds can be used to pay for out-of-pocket deductibles, co-payments, orthodontia services, chiropractic services, and other health care expenses. Equal installments of the total amount you elect will be deducted from each of your bi-weekly paychecks throughout the plan year. Unused funds of up to \$500 will be automatically

DEPENDENT CARE ACCOUNT (DCA)

The DCA allows you to set aside up to \$5,000 per plan year of pre-tax money to pay for dependent care expenses so that you (or you and your spouse) can work. Equal installments of the total amount you elect will be deducted from each bi-weekly paycheck on a pre-tax basis throughout the plan year.

COMMUTER SPENDING ACCOUNTS

The Transportation Spending Account (TRANSIT)

TRANSIT lowers your cost of living by reducing the cost of getting to work. Through TRANSIT, the IRS allows you to use up to \$130 pre-tax dollars per month (\$1,560 annually) to pay for your mass transit. However, \$960 is the annual maximum election for LADWP employees because of the \$50 pre-tax monthly subsidy (\$600 annually) provided through the CARS Office (\$1,560 IRS maximum - \$600 LADWP pre-tax subsidy = \$960 annual maximum election).

The Parking Spending Account (PARK)

PARK allows you to set aside up to \$250 pre-tax dollars per month to pay for your non-LADWP-facility parking costs. Therefore, if you pay for parking at a location from where you commute to work, this expense could be paid for with pre-tax dollars. Please note: The parking fee at LADWP facilities is already a pre-tax deduction and is not eligible for this Flex Account.

PRE-TAX PREMIUM PLAN

carried over to the following plan year.

The Pre-Tax Premium Plan is a benefit that allows you to pay for your health care premium contributions on a pretax basis. You are eligible to participate in the Pre-Tax Premium Plan if you are enrolled in a LADWP or IBEW Local 18-sponsored health or dental plan. Your health and dental plan contributions are deducted from your paycheck before taxes are withheld. This lowers your taxable income, which means you pay less in taxes. Eligible employees are enrolled

in the Pre-Tax Premium Plan by default. Eligible employees wanting to opt out of the Pre-Tax Premium Plan must notify the Flex Plan Administrator during Open Enrollment. If you are enrolled in the Flex Pre-Tax Premium Plan, you will not be able to stop or make changes to your benefit options until the next Open Enrollment period, unless you experience a qualifying status change. Pre-tax health and dental premiums are paid directly to your health insurance carrier.

PLEASE NOTE:

If you do not pay monthly premium contributions (as most employees do NOT), or you are not enrolled in a LADWP or IBEW Local 18-sponsored health or dental plan, you are not eligible for the Pre-Tax Premium Plan.

HOW TO ENROLL OR MAKE CHANGES DURING THE OPEN ENROLLMENT PERIOD

Form W-4 (2018)

Future developments. For the latest information about any future developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. You may claim exemption from withholding for 2018 if both of the following apply.

- For 2017 you had a right to a refund of all federal income tax withheld because you had no tax liability, and
- For 2018 you expect a refund of all federal income tax withheld because you expect to have no tax liability.

If you're exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2018 expires February 15, 2019. See Pub. 505, Tax Withholding and Estimated Tax, to learn more about whether you qualify for exemption from withholding.

General Instructions

If you aren't exempt, follow the rest of these instructions to determine the number of withholding allowances you should claim for withholding for 2018 and any additional amount of tax to have withheld. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

You can also use the calculator at www.irs.gov/W4App to determine your tax withholding more accurately. Consider using this calculator if you have a more complicated tax situation, such as if you have a working spouse, more than one job. or a large amount of nonwage income outside of your job. After your Form W-4 takes effect, you can also use this calculator to see how the amount of tax you're having withheld compares to your projected total tax for 2018. If you use the calculator, you don't need to complete any of the worksheets for Form W-4.

Note that if you have too much tax withheld, you will receive a refund when you file your tax return. If you have too little tax withheld, you will owe tax when you file your tax return, and you might owe a penalty.

Filers with multiple jobs or working spouses. If you have more than one job at a time, or if you're married and your spouse is also working, read all of the instructions including the instructions for the Two-Earners/Multiple Jobs Worksheet before beginning.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you might owe additional tax. Or, you can use the Deductions, Adjustments, and Other Income Worksheet on page 3 or the calculator at www.irs.gov/ W4App to make sure you have enough tax withheld from your paycheck. If you have pension or annuity income, see Pub. 505 or use the calculator at www.irs.gov/W4App to find out if you should adjust your withholding on Form W-4 or W-4P.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Personal Allowances Worksheet

Complete this worksheet on page 3 first to determine the number of withholding allowances to claim.

Line C. Head of household please note: Generally, you can claim head of household filing status on your tax return only if you're unmarried and pay more than 50% of the costs of keeping up a home for vourself and a qualifying individual. See Pub. 501 for more information about filing status.

Line E. Child tax credit. When you file your tax return, you might be eligible to claim a credit for each of your qualifying children. To qualify, the child must be under age 17 as of December 31 and must be your dependent who lives with you for more than half the year. To learn more about this credit, see Pub. 972, Child Tax Credit. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line E of the worksheet. On the worksheet you will be asked about your total income. For this purpose, total income includes all of your wages and other income, including income earned by a spouse, during the year.

Line F. Credit for other dependents.

When you file your tax return, you might be eligible to claim a credit for each of your dependents that don't qualify for the child tax credit, such as any dependent children age 17 and older. To learn more about this credit, see Pub. 505. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line F of the worksheet. On the worksheet, you will be asked about your total income. For this purpose, total income includes all of

your wages and other income, including income earned by a spouse, during the year.

Line G. Other credits. You might be able to reduce the tax withheld from your paycheck if you expect to claim other tax credits, such as the earned income tax credit and tax credits for education and child care expenses. If you do so, your paycheck will be larger but the amount of any refund that you receive when you file your tax return will be smaller. Follow the instructions for Worksheet 1-6 in Pub. 505 if you want to reduce your withholding to take these credits into account.

Deductions, Adjustments, and Additional Income Worksheet

Complete this worksheet to determine if you're able to reduce the tax withheld from your paycheck to account for your itemized deductions and other adjustments to income such as IRA contributions. If you do so, your refund at the end of the year will be smaller, but your paycheck will be larger. You're not required to complete this worksheet or reduce your withholding if you don't wish to do so.

You can also use this worksheet to figure out how much to increase the tax withheld from your paycheck if you have a large amount of nonwage income, such as interest or dividends.

Another option is to take these items into account and make your withholding more accurate by using the calculator at www.irs.gov/W4App. If you use the calculator, you don't need to complete any of the worksheets for Form W-4.

Two-Earners/Multiple Jobs Worksheet

Complete this worksheet if you have more

than one job at a time or are married filing jointly and have a working spouse. If you don't complete this worksheet, you might have too little tax withheld. If so, you will owe tax when you file your tax return and might be subject to a penalty.

Figure the total number of allowances you're entitled to claim and any additional amount of tax to withhold on all jobs using worksheets from only one Form W-4. Claim all allowances on the W-4 that you or your spouse file for the highest paying job in your family and claim zero allowances on Forms W-4 filed for all other jobs. For example, if you earn \$60,000 per year and your spouse earns \$20,000, you should complete the worksheets to determine what to enter on lines 5 and 6 of your Form W-4, and your spouse should enter zero ("-0-") on lines 5 and 6 of his or her Form W-4. See Pub. 505 for details.

Another option is to use the calculator at www.irs.gov/W4App to make your withholding more accurate.

Tip: If you have a working spouse and your incomes are similar, you can check the "Married, but withhold at higher Single rate" box instead of using this worksheet. If you choose this option, then each spouse should fill out the Personal Allowances Worksheet and check the "Married, but withhold at higher Single rate" box on Form W-4, but only one spouse should claim any allowances for credits or fill out the Deductions, Adjustments, and Additional Income Worksheet.

Instructions for Employer

Employees, do not complete box 8, 9, or 10. Your employer will complete these boxes if necessary.

New hire reporting. Employers are

required by law to report new employees to a designated State Directory of New Hires. Employers may use Form W-4, boxes 8, 9, and 10 to comply with the new hire reporting requirement for a newly hired employee. A newly hired employee is an employee who hasn't previously been employed by the employer, or who was previously employed by the employer but has been separated from such prior employment for at least 60 consecutive days. Employers should contact the appropriate State Directory of New Hires to find out how to submit a copy of the completed Form W-4. For information and links to each designated State Directory of New Hires (including for U.S. territories), go to www.acf.hhs.gov/programs/css/ employers.

If an employer is sending a copy of Form W-4 to a designated State Directory of New Hires to comply with the new hire reporting requirement for a newly hired employee, complete boxes 8, 9, and 10 as follows.

Box 8. Enter the employer's name and address. If the employer is sending a copy of this form to a State Directory of New Hires, enter the address where child support agencies should send income withholding orders.

Box 9. If the employer is sending a copy of this form to a State Directory of New Hires, enter the employee's first date of employment, which is the date services for payment were first performed by the employee. If the employer rehired the employee after the employee had been separated from the employer's service for at least 60 days, enter the rehire date.

Box 10. Enter the employer's employer identification number (EIN).
