

West Coast Wildfires: California, Oregon, and Washington

Updated: September 29, 2020

California Resources

Governor Gavin has secured Fire Management Assistance Grants (FMAGs) from the Federal Emergency Management Agency (FEMA) to help ensure the availability of vital resources to suppress wildfires impacting the state. A State of Emergency has also been issued for several counties across the state. For the latest updates from the Governor's Newsroom please visit the Governor's website [here](#).

A red flag warning remains in effect through Tuesday, September 29, 2020 throughout much of Northern California due to gusty winds, as well as the mountains of Southern California. Warm and dry conditions persist across the state for the rest of the week. **For an updated listing on evacuations & air quality reports, please visit CAPRadio's site [here](#).**

California Office of Emergency Services (Cal OES)
