

ELDER CARE RESOURCES

ELDER CARE RESOURCES

- [California Department of Aging](#): Visit the CA Department of Aging webpage for resources including long-term services and support, planning ahead, and resources for advanced-care planning.
- [Reporting Elder Abuse or Neglect](#): If the person you are concerned about is in immediate danger please dial 911. The California Department of Aging has resources to assist in the reporting of elder abuse and neglect should you suspect this is happening to someone you know. The webpage lists warning signs and resources.
- [Elder Care Locator](#): The elder care locator assists people in finding elder care for their loved ones in any zip code.
- [U.S. Department of Health and Human Services \(HHS\)](#): HHS provides resources for caring for someone with Alzheimer's and related dementias.
- [American Geriatric Society \(AGS\)](#) is a nationwide, not-for-profit society of geriatrics healthcare professionals dedicated to improving the health, independence, and quality of life of older people. The Society provides leadership to healthcare professionals, policymakers, and the public by implementing and advocating for programs in clinical care, research, professional and public education, and public policy that can support us all as we age.
- [Centers for Disease Control and Prevention \(CDC\)](#): This page has resources for helping older adults with dementia, providing resources to help caregivers, tools to increase the use of clinical preventive services, and programs to reduce arthritis pain and prevent falls.
